Dear [REDACTED],

Thank you for your information request of 5 May 2017. Aberdeen City Council (ACC) has completed the necessary search for the information requested.

1. How many times have the crews removed fly tipped materials from Jute St in the last calendar year.

Our crews removed fly-tipped materials in Jute Street 28 times in 2016.

2. How many warnings have your teams issued to the residents of the street in regard to fly tipping in the last calendar year.

There have been no formal warnings issued but there have been letters and leaflets issued in Jute Street twice during 2016 to remind residents of the correct way to dispose of bulky items like furniture. Our Compliance Officers have also visited the area 11 times in the last 12 months to monitor the area.

3. Are there any plans to stop Jute St looking like a back street in Bombay?

We understand there is frustration when other residents do not dispose of their items correctly, and this is an issue that occurs across the City. We will continue with awareness raising work generally, and would be happy to meet with you to discuss this in more detail. We will continue to respond timeously to fly-tipping reports in the area as far as possible.

We hope this helps with your request.

Yours sincerely,

Grant Webster
Information Compliance Officer
