Dear [REDACTED]

Thank you for your information request of 13 May 2017. Aberdeen City Council (ACC) has completed the necessary search for the information requested

Under the Freedom of Information Act please provide me with details of the street cleansing schedule for Victoria Road in Torry.

-

I would like to know how often the road is meant to be swept from top to bottom and what the daily sweeping schedule for the street is.

Victoria Road is manually swept and litter is picked from Victoria Bridge to Mansefield Road 363 days a year. From Mansefield Road to St Fitticks Road is manually swept and litter is picked up twice a week. Litter bins are checked and emptied Monday to Friday and this mobile crew also pick up litter as and when required. Victoria Road is scheduled to be swept mechanically 6 times a year. This does not include additional occasions during Autumn/early Winter for leaf fall.

We hope this helps with your request.

Yours sincerely,

Information Compliance Officer
