We have not provided details of ACC Officers below Head of Service level because ACC considers that this information is exempt from disclosure. In order to comply with its obligations under the terms of Section 16 of the FOISA, ACC hereby gives notice that we are refusing our request

under the terms of Section 38(1)(b) in conjunction with 38(2)(a)(i) – Personal Information – of the FOISA.

In making this decision ACC considered the following points:

ACC is of the opinion that Section 38(1)(b) applies to the information specified above as the information in question is personal information relating to living individuals, and the applicant is not the data subject.

ACC is of the opinion that Section 38(2)(a)(i) applies, as ACC considers that disclosure of this information would be a breach of the first Data Protection Principle (that personal information must be processed fairly and lawfully). ACC Officers below Head of Service level would not expect ACC to release this information about them into the public domain under the FOISA.

FOI Note: Organisational structure is found here though contact details are not:

2) I would also like to know if the highway gritting is carried out in-house or if it is done by a highways contractor?

All roads are gritted in house.

- a) If by a highways contractor, can you please let me know which company this is?**
n/a
- b) And when the current contract has run from and will expire on?** n/a
- c) And whether the gritting equipment used by the contractor is council sourced or if it is left to the highways contractor to source the equipment?** n/a

We hope this helps with your request.

Yours sincerely,

Information Compliance Team
