Dear [REDACTED]

Thank you for your request for information, made under Section 1(1) of the Freedom of Information (Scotland) Act (FOISA), and received on 7 February 2017. Please accept our apologies for the delay in responding to your request.

I would be so grateful if you could tell me the following:

- a) Can I have a list of every building company your council has awarded a contract to over the last five years?**
- b) Can you tell me each exact project (or projects) that were carried out by the building company in each instance?**
- c) Can you tell me how much the building company was paid in each case?**
- d) Can you tell me how many building developments were completed/not completed or are still ongoing?**

Please see the attached document which details the building company awarded the contract and the title of the contract. Contracts marked * are ongoing.

In regard to question c), it is not always possible to provide the exact amount involved and in order to comply with its obligations under the terms of Section 16 of the FOISA, ACC hereby give notice that we are refusing your request under the terms of Section 12 - Excessive Cost of Compliance - of the FOISA.

The accepted tender amount is not always the actual amount that the Company may have been paid as variations could well take place during the contract. To provide the exact figure involved, we would have to search a significant number of documents and invoices in order to accurately answer this part your request.

This task would significantly exceed the prescribed sum as outlined in the Freedom of Information (Fees Required for Disclosure) (Scotland) Act 2004 and consequently, we are not in a position to undertake this work for you in terms of section 12 (1) of the Act – excessive cost of compliance.

We hope this helps with your request.

Yours sincerely,

Information Compliance Team
