Dear [REDACTED]

Thank you for your information request of 14 February 2017. Aberdeen City Council (ACC) has completed the necessary search for the information requested.

**I would like to make a freedom of Information, can you please advise of the following:**

**1. The number of staff, FTE, currently employed as GIS officers?**

There are no officers whose title is GIS officer. However, in Information Technology & Transformation, 3 staff spend a fair proportion of their time working on mapping-related issues. There is no official breakdown of percentages but the FTE would be close to 2.

**2. The job titles and remit of these staff?**

1 x Systems Analyst who manages the server side of the system as well as carries out GIS work, 1 x CAG Coordinator who maintains the Corporate Address Gazetteer primarily, but also does GIS work and 1 x GIS Coordinator.

**4. What departments/service area(s) are the GIS officers in?**

Information Technology & Transformation

**5. Are you planning on centralising all your GIS officers?**

No.

**6. Do the GIS officer(s) only work for their departments or on central council projects?**

The GIS Officers are available to advise or participate in any GIS project as required.

We hope this helps with your request.

Yours sincerely,

Grant Webster  
Information Compliance Officer
