Dear [REDACTED]

Thank you for your information request of 14 March 2017. Aberdeen City Council (ACC) has completed the necessary search for the information requested.

1) How many ACC employees; permanent, fixed-term or temporary, permanently work from home or work from home between 75%-100% of their work time?

24, this includes full and part-time employees.

We are unable to confirm how many employees based within the Health and Social Care Partnership (HSCP) work from home 75-100% of the time as this service does not record this information. Due to the nature of the work, it may be the case that some staff within HSCP do work from home but this is not recorded in a manner that would allow for an accurate response to your question.

Therefore, the Health and Social Care Partnership of Aberdeen City Council do not record this information in a format which would allow for response to this question and as such, this information cannot be provided in terms of section 17 (1) (b) of FOISA.

2) The Service these employees work for?

Revenue and Benefits – 13
Human Resources and Customer Services – 1
Education and Childrens Services – 1
IT and Transformation – 4
Communities, Housing and Infrastructure - 5

We hope this helps with your request.

Yours sincerely,

Nicky Leiper
Information Compliance Officer
