Dear [REDACTED],

Thank you for your information request of 20 March 2017. Aberdeen City Council (ACC) has completed the necessary search for the information requested.

1. How many CCTV cameras are in place and under the control (in whole or in part) of the council, as of this current financial year, 2016-17?

500.

2. How many CCTV cameras did the council control last year, 2015-16?

500.

3. How many CCTV cameras were in place five years before that, in 2011-12?

ACC do not hold a full breakdown of all CCTV cameras for the year 2011-12.

ACC is unable to provide you with information on **How many CCTV cameras were in place in 2011-12** as it is not held by ACC. In order to comply with its obligations under the terms of Section 17 of the FOISA, ACC hereby gives notice that this information is not held by it.

4. How many of the cameras currently in use run on old technology like VHS?

None.

5. How many of the cameras currently in use are modern, high definition cameras?

None.

6. Does the council have an internal audit mechanism in place for CCTV cameras – as requested by a police review in 2015 – which would ensure compliance with the requirements of data protection legislation?

The Council's CCTV policy provides guidance on the operation of CCTV cameras and the maintenance thereof. Any new CCTV system, is considered in accordance with the Procedure and subjected to a Privacy Impact Assessment. An internal audit was conducted in 2013/14 to ensure that our CCTV cameras were in compliance with data protection legislation.

We hope this helps with your request.

Yours sincerely,

Grant Webster
Information Compliance Officer
