Dear [REDACTED]

Thank you for your information request of 31 March 2017. Aberdeen City Council (ACC) has completed the necessary search for the information requested.

**On the Community Planning website there is a link to the Civic Forum website where it states that the site is administered by ACVO. However NO minutes have been recorded or shown for almost one year. This is the only public information conduit regarding who are the representatives from that body on the various Community Planning groups.**

- 1. Can you tell me how much ACVO were/are paid to administer the Civic Forum Website.**

During 2016/17 ACVO administered the Community Planning Aberdeen website for £15,000. In support of the work of the Civic Forum, the Community Planning Partnership hosts a space on the website for the Civic Forum free of charge. The Civic Forum is responsible for maintaining the content of this website to ensure it is up to date. The website includes the most recent information received by the Civic Forum for uploading.

From April 2017 ACVO is no longer paid to administer the Community Planning Partnership Website. The website is now under construction and will be relaunched Summer 2017.

We hope this helps with your request.

Yours sincerely,

Information Compliance Team
