Dear [REDACTED],

Thank you for your information request of 3 May 2017. Aberdeen City Council (ACC) has completed the necessary search for the information requested.

I would like to exercise my right under freedom of information laws to find out how much your authority has invested in commercial property in the following years:

Our interpretation of this question is that you are seeking information about the Council commercial investment portfolio (also known as Tenanted no-residential portfolio – TNRP) and how much the Council may have spent in new acquisitions during the years in question.

2012

2013

2014

2015

2016

2017 to date

No new purchases made.

If the value of the purchases in any one year amount to more than £10 million could I please be given a brief description of the purchases and their individual value.

Not applicable – no new purchases made.

Please also include how much has been borrowed from the Public Works Loan Board to help facilitate any purchases in each of these years and the agreed interest rate for repayment and term of loan.

Aberdeen City Council didn't invest in commercial property in the years identified, so there has been no borrowing from the Public Works Loan Board in the years specified for that purpose.

We hope this helps with your request.

Yours sincerely,

Information Compliance Team
