Dear [REDACTED],

Thank you for your information request of 4 May 2017. Aberdeen City Council (ACC) has completed the necessary search for the information requested.

**You recently supplied (FOI-17-0290) details of school exclusions, broken down by secondary and primary schools and the stated reasons for them in the 2015/16 academic year.**

**Do you please have available the equivalent data for 2016/17?**

The 2016/17 exclusions data/summary is not available yet and will not be until November this year. The exclusions data in our Schools Management System is the live data, hence could be changed, and will be validated by schools in August/September this year. We will have that data set ready for analysis at the time of the official return and that is usually around the end of October.

ACC is unable to provide you with information on **the equivalent data for 2016/17** as it is not held by ACC. In order to comply with its obligations under the terms of Section 17 of the FOISA, ACC hereby gives notice that this information is not held by it.

We hope this helps with your request.

Yours sincerely,

Information Compliance Team
