Dear [REDACTED],

Thank you for your information request of 8 June 2017. Aberdeen City Council (ACC) has completed the necessary search for the information requested.

**Accident Date: 07/06/2014**

**Accident Location: Weatherspoons Plc, Justice Mill Public House, 423 Union Street, Aberdeen**

**We refer to previous correspondence in relation to the above.**

**We note that you make no reference to CCTV footage within the correspondence we have had sight of and we wonder whether you viewed the CCTV footage in the preparation of your findings. If so, we should be grateful if you would clarify whether this footage is still available.**

According to our records a visit to the Justice Mill/Lloyds No.1 Bar was undertaken on 11/06/14. During this visit, officers of Aberdeen City Council were shown the CCTV footage of the stairwell. The camera view seen did not cover the area of the accident and so the accident could not be seen. A copy disk of this footage was obtained at the time, but unfortunately this disk is no longer held.

The officer recalls that the CCTV footage was of the landing area outside the female toilet and that there was no camera covering the lower stairs where the accident occurred.

**If you did not view the CCTV footage we should be grateful if you would clarify the reasons for this decision and in particular whether the CCTV was made available to you by Weatherspoons.**

Not applicable, please see our response above.

ACC is unable to provide you with information on **CCTV footage** as it is not held by ACC. In order to comply with its obligations under the terms of Section 17 of the FOISA, ACC hereby gives notice that this information is not held by it.

We hope this helps with your request.

Yours sincerely,

Grant Webster  
Information Compliance Officer
