Dear [REDACTED],

Thank you for your information request of 10 February 2017. Aberdeen City Council (ACC) has completed the necessary search for the information requested.

Does Aberdeen City Council stock 'energy drinks' for purchase in a) Council owned leisure centres (including sport facilities); b) Council-owned community centres (including those run by Arms Length External Organisations (ALEOs) or Charitable Trusts) and c) schools?

The definition of "energy drink" that was intended is a soft drink which contains at least 80 mg of caffeine.

Aberdeen City Council does not stock any energy drinks in Council owned leisure centres, Community centres or schools. All drinks that we provide meets the Scottish Government Healthy Eating Guidelines.

Aberdeen City Council does not stock or sell any items in leased Community Centres. Furthermore all the tenants of the leased Community Centres have confirmed that they do not sell any energy drinks from their premises nor do they allow anyone else to sell energy drinks on their premises.

Schools do have access to sporting facilities not owned by Aberdeen City Council throughout the Aberdeen City Council area which may stock such drinks, however these would be stocked by external 3rd parties.

We hope this helps with your request.

Yours sincerely,

Grant Webster
Information Compliance Officer
