## Home Library Service

The Home Library Service is a free personal service for people of all ages who live in Aberdeen and are unable to visit their local library due to disability, illness or because they are caring for someone.

The service is available on a permanent or temporary basis, for example while recovering from an operation or illness. Our Home Library staff visit once every four weeks to drop off and collect items. Although use of the Home Library Service is free, there is a charge for borrowing CDs, DVDs and Blu-ray.

## You can borrow...

- Books in standard or large print
- Talking books on CD or MP3
- CDs, DVDs and Blu-rays

If you have access to the internet at home, you can search online for books, CDs and DVDs and access free e-books, e-magazines, newspapers and a range of online resources providing information on topics including local and family history. Explore more at [www.aberdeencity.gov.uk/Library](http://www.aberdeencity.gov.uk/Library)

Our Home Library staff are happy to give group presentations about the service. Get in touch to find out more or to request a talk for your community group, organisation or residence.
