**What would you like to say about the issue?**

Currently there are over 300+ parking spaces in the Denburn Car Park. Many of our members use this car park, not only on Sundays but during the week to attend the many activities which take place in the Church and Hall. A large part of our revenue comes from Hall lets from outside organisations and good car-parking facilities for the able and not-so-able are vital.

We are seeking clarification as to what car parking facilities will be available and would urge there is not a reduction in the number of spaces available. Thank you.
