What change would you like to see made?

We suggest that the proposed LDP contain a policy (possibly named Tourism, Leisure and Culture) that specifically aims to protect, support and enhance existing leisure and cultural facilities from change of use or redevelopment, unless it can be demonstrated that there is no longer a community need for that facility, as well as providing criteria for encouraging new cultural development of all sizes. The accompanying text to Policy NC1-9 should also not the role of cultural facilities within the city and district centres.
