What would you like to say about the issue?

This location is unsuitable for 19 houses, due to limited infrastructure, schools, GP practice, dental practice etc.
 Also I have concerns about the increase in traffic over and above the considerable increase that has already been generated by the 'new equestrian centre', with its large number of horse transporters (which are the size of large furniture vans) on such a small road (there is a steady stream of them).
 Also there are concerns about the impact on ancient woodland & wild life.

What change would you like to see made?

Removal as an opportunity site.
 Other more suitable green sites are available.
 This application has been rejected twice.
